

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MT. OLIVET)	CASE NO. 9918-K4
NATURAL GAS COMPANY, INC.)	

O R D E R

On August 10, 1987, in Case No. 9918, the Commission approved certain adjusted rates for Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On March 6, 1995, Mt. Olivet filed its GCA proposed to be effective from April 1, 1995 to July 1, 1995.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mt. Olivet's notice proposed revised rates designed to pass on its expected wholesale decrease in gas costs to its customers. Mt. Olivet's proposed expected gas cost ("EGC") did not include pipeline transportation rates. Using the rates currently effective for its pipeline transporters and annualizing purchase calculations result in an EGC of \$3.7658 per Mcf.

2. Mt. Olivet has current refunds of \$43.64 or .11 cent per Mcf, to return to its customers. The total refund adjustment of 7.81 cents per Mcf reflects the current and previous quarter adjustments.

3. The notice set out a current quarter actual adjustment ("AA") of 56.65 cents per Mcf to reconcile gas cost from October, November, and December 1994. Mt. Olivet did not use the EGCs which were actually in effect for these months in its current AA calculation. It also failed to use volumes and costs for October and November as they were reported in Schedule II. Correcting these errors yields a current AA of (3.85) cents per Mcf. The total AA of (11.76) cents per Mcf reflects the current over-collection as well as under- and over-collections from previous quarters.

4. These adjustments produce a gas cost recovery rate of \$3.5701 per Mcf, 40.74 cents per Mcf less than the prior rate.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be approved with gas supplied on and after April 1, 1995.

IT IS THEREFORE ORDERED that:

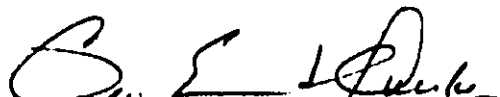

1. The rates proposed by Mt. Olivet be and they hereby are denied.

2. The rates in the Appendix to this Order are fair, just, and reasonable, and are effective for gas supplied on and after April 1, 1995.

3. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 15th day of March, 1995.
